

Someone who...

Someone who you admire,
whose energy is on fire,
she is the one who will forgive,
listen and believe.

Even if she is hurt,
and wasn't helped,
she suffered in silence,
however, she kept you in guidance.

She was watching you while you were sleeping,
remembering moments and smiling.
She carried you when you were a child,
when you thought the world was wild.

Respect and obey her,
she is your only beautiful flower.
Today you are the learner,
and tomorrow the heart owner.

Haven't you noticed who she is?
She is the sadness killer,
and your heart woman gardener,
who will plant a pretty rose.

You will always be together,
she is your worries door closer.
Even though she is far,
you will see her as your star.

I am pleased to be you daughter,
and I hope others say the same about their mothers.
Maybe she is not perfect,
but she is the one God sent.

Yes you are my everyday diary,
you are not imaginary,
you are that person who I trust,
care and love the most.

It is hard to say,
but you have removed all dust from my way,
you are the woman who guides me
through a successful life.

I try not to hurt you,
disobey and disappoint you.
'Cause you feed me
and help me.

If someday we separate from each other,
and probably I am not your lover,
no matter of what happen,
I will take care of you.
