La primavera
A la primavera
agafa unes cireres.
A alguns insectes veuen
com si fessin unes plomes.

I neixen les flors
amb molts colors!

La meua mare amb moniga curta
sembla més ferquida.

Les papallones
són leòniques per dintre i per fora.
I les papallones
són leigones.

I una papallona
veia per sobre d'una ona.

I la papallona
és din Mariana,
